

**Datasheet for: 3PHD10621**

**Product Type: 3P Isolating Delta Delta**

10kva 3P Delta Delta 400v to 415v Hardwired

|                    |                                                         |
|--------------------|---------------------------------------------------------|
| VA                 | 10000                                                   |
| Input Voltage      | 400                                                     |
| Input Termination  | M5 Brass studs                                          |
| Input Current      | 14.45                                                   |
