

## Datasheet for: 3PTS25666

### Product Type: 3P+N Isolating Delta Star

25kva 3P Delta Star 400v to 230v Hardwired

|                    |                                                         |
|--------------------|---------------------------------------------------------|
| VA                 | 25000                                                   |
| Input Voltage      | 400                                                     |
| Input Termination  | M8 Brass studs                                          |
| Input Current      | 36.13                                                   |
